

### Father-Son Banquet Held

Against a western background, as held at Seaside Community church, 230th and Ocean Ave.

## Announcement

I wish to announce that due to the increasing growth of my clientele towards the Beach Cities and South Bay areas, I have opened an additional Dental Office in the South Bay Shopping Center in the new Profession Medical Building on Redondo Beach Blvd. (174th St.), one block west of Hawthorne Blvd. With these new expanded facilities, I can better meet the demands of Adult Denture Service, both Full Replacements and Cast Partials, and the Immediate Denture Technique specialty which I have concentrated on and developed through the years. However, we will also carry on services to the whole family as before.

DR. ANTHONY L. VOGT,  
Adult Dentistry

I will maintain alternate days at both offices as follows:

Redondo Beach Office: Monday-Wednesday-Friday.  
Gardena Office: Tuesday-Thursday-Saturday 'til Noon.  
Appointments will be made by phone for either office.

troop and was named "Chief Trail Blazer."

Nora and Barney Brooks, nationally-known piano team, played a medley of tunes from "Oklahoma."

Special awards were presented to the following: Best Dressed Cowboy, Paul Schatz; Oldest Father, J. W. Moss; Youngest Father, Rev. William K. Schatz.

The dinner was served under the sponsorship of the Women's Guild. Serving on the committee were Mrs. Ted Costa, Coordinator, and Mmes. Irvin Pauling, Mary Dice, Enrique Rendon, Clyde Rossell, Marion Cummings, and Roger Schriever.

The Vacation Bible School observed parents night Wednesday at the conclusion of the eight day school. More than 300 pupils were enrolled.

FRINGE BENEFITS—Cowgirl Cathy O'Donnell rides young Tommy Sanders around the studio as well as their children and is distributed in range in a Gym-Dandy surrey with a fringe on top. The surrey is an eye-catcher for parents as well as their children and is distributed in range in a Gym-Dandy surrey with a fringe on Torrance through Jumbo's, 4864 West 190th St.

### Toy Industry Creates 'Surrey'

The kindergarten and grammar school set now ride the range in a real surrey, complete with a fringe on top. The latest innovation for youngsters combines the surrey design of the past with the superior mechanical construction of today, making it the newest concept in wheel goods.

The surrey, a rebel among the streamlined jets, rockets, and guided missiles of the toy industry today, is a product of the revival of the gas light, the early american automobiles, and the horse-drawn buggy. Designed primarily for youngsters from 4 to 12 years old, the surrey is adequately constructed to hold adults. The ball bearing, adjustable chain drive makes riding easy and the nylon bearings used in the steering mechanism and on the regular wheels add further to the complete ease of handling this new item. The frame is finished in red auto-

type baked enamel and the select wood seats have a yellow enamel finish.

Smart drivers will watch traffic as far up the road as possible, not just the car ahead, says E. R. Klamm, accident prevention director, Allstate Insurance Companies.
